### EXTENSION OF CONTRACT AIRCRAFT LEASE

This to inform your Honorable Board that, due to the continuing dry wildland fuel and weather conditions, the Fire Department intends on extending the contract aircraft lease for the two CL-415 SuperScoopers. The Department has sufficient spending authority and appropriation to cover the cost of the lease extension through December 14, 2010. As seen with recent fires, these resources are an integral part of our firefighting efforts.

If you have any questions or need additional information, you may contact me directly at (323) 881-6180.
